

# HATCHET BOOSTER CLUB 2018-2019

The Hatchet Booster Club supports Tomahawk High School athletic programs through the purchase of team equipment, warm-ups, facility improvements, training services, etc. Each year we give scholarships to male and female THS graduates. The new and improved equipment and facilities will help the current and future Hatchet athletes. Parents, grandparents, aunts, uncles, alumni and all Tomahawk community members: **We need you to join the Hatchet Booster Club and support our athletes!** Without our help, some improvements would not be possible. We want the best for our athletes and we hope you will join and support our future improvements and needs of our THS athletes.

We offer different levels of membership to support our athletes, and with each level there are additional member benefits. The Booster Club will be sponsoring programs again this year so that we can recognize our members who step up to the higher levels of support for our athletes. The Gold and Hatchet membership levels will include your name printed in the programs handed out at every sporting event. Promotional items from membership packages will be available for pickup before halftime of any home football game. The different membership levels are:

Our **Basic Booster membership for \$35** includes the following:

Please check out our website [hatchetboosterclub.com](http://hatchetboosterclub.com) where we post information. We have our membership forms available there, the list of where we have made donations to athletic programs over the years, and a list of all the businesses who sponsor a week in our calendar drawing. Spread the word - tell your friends, neighbors and THS alumni about our website. Encourage them to join the Booster Club!

To join or renew your membership, please fill out the enclosed membership form which includes your entry into the Hatchet Booster Club Friday drawing. Make sure you check which level of membership you choose and which Booster promotional items you would like. And spread the word about the Hatchet Booster Club. If you have any questions, contact Brenda Shilts at (715) 453-6112.
